

## LASERDISC NEWS

**KOR LD's:** The first LD in our LD edition of the Kimagure Orange Road OVA's and Movie will be released on the 3rd Wednesday of June, and will continue Bi-monthly. As with Bubblegum Crisis, we will be resubtitling the series for LD. Since we announced the KOR LD's, many people have asked us to change our handling of the character's names. In the tape releases, when a character used a family-name to address another character, we used the first name in the subtitle. We felt this was better for new viewers, but it has been pointed out that most of the people who would buy the LD are long-time KOR fans. So, for the LD release, we are going to do it the way you've said you wanted it - when Kyosuke says "Ayukawa!" the subtitle will too. The first two LD's contain all 8 OVA's in CLV format; the 3rd LD is devoted to the Movie, with the first side CLV and the second side in CAV format. The OVA discs are **\$64.95** each and the Movie is **\$54.95**, but you can preorder the set for only **\$155.00**.

And just so there is no misunderstanding, we saved all those letters and

emails, and if the people who said "I won't buy it if you don't change it" don't live up to their end of the bargain, it isn't going to be pretty.

**Double Feature Disc:** Riding Bean and MADOX-01 fans will be delighted to know that the Bean/MADOX double-feature LD will be released on the 3rd Wednesday of July. We'll be resubtitling both of them onto D2 Digital, of course. The disc is **\$64.95** but you can save \$10 by preordering and get it for only **\$55.00**.

**UY on Laser:** Finally, on the 3rd Wednesday of September, we'll be releasing the first UY Movie ("Only You") on LD, and by joining our UY LD Club, you can get the disc for the ridiculously low price of only **\$45.00**. As we mentioned in the previous Gossip, when we get orders for 1000 of them, we'll schedule release of the next movie, so order early and often.

Remember, we pick up the S&H on advance orders, so you save even more!

## The Otaku Shopping Network Presents...

We still have a few of the original Crisis posters left (the Episode 1 cover illustration of Priss in an exploding Hardsuit), and we now have a new Crisis LD promotion poster (both **\$6.95**) We are also considering doing a calendar; let us know what you think. But the big news is **Cels**: We now have cels from 3 Miyazaki films: Porco Rosso, Totoro, and Kiki's Delivery Service, as well as from Bubblegum Crash, Gal Force New Generation, Gaiarth, and a small number from Otaku no Video. Prices start at only **\$15.00**! Call or write for details.

# UY CLUB

The sheer number of tapes in UY (50 for the TV series alone) make it impossible to do an advance subscription. Instead, you can join the UY Club. Tell us whether you want the TV series tapes or the Movie/OVA tapes, or both, along with a Visa or MC number. We'll send you the tapes monthly until you tell us to stop - but you must buy at least 3 tapes. You get a 20% discount off list price and we pick up the postage. If you join late you can buy the previously issued tapes at any time under the same terms. For the few hardy souls who can resist the temptation to have a credit card (but cannot resist the temptation to join the UY club!) you can establish yourself in the club by sending a check or money order in the amount of \$96.00 for the first three tapes that you want. After that, just send in your orders along with \$32.00 per tape.

Flexibility is our middle name: If you are interested in joining our UY club, but are daunted by the prospect of having to buy 5 tapes to get caught up, don't despair. Our motto is "It's easier to let the fans have it their way." If you want to start now with the first tape and just get one a month, fine! If you'd like to get 2 a month until you are caught up, that's OK too. Just call or write us and tell us how you'd like it.

## Shipping & Handling Headaches

Nobody wrote to complain about our complicated S&H charges since the last AnimeGossip, so we have put together a task-force to render them even more complicated than the tax-code.

Save money and reduce your consumption of aspirin by purchasing a subscription or joining the UY Club. If you do, we pick up the postage!

**In the US & Canada:** First LD is \$5.00, add'l LD's \$2.50 each. First Tape is \$3.00, add'l tapes \$1.50 each. First Poster/T-Shirt is \$1.50, add'l Posters/T-Shirts are \$.50 each. NC-residents add 6% sales tax to total (excluding S&H), or move to another state.

Shipments are sent by Airmail outside of the US and Canada.
